Dear Friend,

I hope that the **August 2015 edition of the Hot SHEET** ([CLICK HERE](#)) finds you doing well and enjoying the summer season.

If you'll be in the Atlanta area this weekend, join Us TOO on Saturday, August 1, as we host the second annual **Community Conversation on Prostate Cancer** sponsored by Bayer HealthCare, AbbVie and Radiotherapy Clinics of Georgia. There will be PSA/DRE screenings, educational presentations and lunch – all free of charge – at the Beulah Missionary Baptist Church in Decatur, GA. [CLICK HERE](#) for more details and event registration. Watch for information about additional Community Conversation events in other cities coming soon!

Next week on Wednesday, August 5, at 2:00 pm EST, Us TOO will be joining ZERO to present a **prostate cancer survivorship webinar**. For more details and registration information [CLICK HERE](#).

CancerCare and Us TOO are offering a **free online moderated prostate cancer support group** through September 15. [CLICK HERE](#) to register.

Staff is finalizing the videos of the 25th anniversary educational symposium sessions to post on the Us TOO website; and copies of the **Us TOO 25th anniversary video** and public service announcements will also be made available. We'll keep you posted.

September will be here before we know it. Help Us TOO continue to provide prostate cancer education and support services at no charge with your participation or donation to the **11th Annual SEA Blue Chicago Prostate Cancer Walk & Run** in Lincoln Park on Sunday, September 13. [CLICK HERE](#) for information and event registration. Register with the code SEABLUESUMMER and receive a discount of \$5.00.

And if you'll be near Rochester, NY, on Sunday, September 20, plan on taking part in the inaugural **Rochester SEA Blue Ribbon Walk** in Genesee Valley Park. For all of the details [CLICK HERE](#).

Also, the **PCRI Conference** will be held in Los Angeles on Sept. 11-13. [CLICK HERE](#) for information and registration.

Watch for the September issue of the **Hot SHEET** next month and an email with prostate cancer **News You Can Use** in about two weeks.

My best to you,

Thomas Kirk
