Greetings,

We're pleased to bring you some of the latest **Prostate Cancer News You Can Use**. Scroll down for the list of news article titles in addition to a link to the Us TOO web page that provides access to the content for each article. We hope that you find the information to be helpful.

If you're **interested in volunteering as a consumer reviewer** with the Prostate Cancer Research Program (PCRP) of the Department of Defense (DOD) Congressionally Directed Medical Research Programs (CDMRP), remember that **nomination materials must be received at the DOD by Wednesday, July 20, 2016.** [CLICK HERE](#) to learn more about the program and let me know if you'd like a letter of nomination from Us TOO.

Two new clinical trials are currently recruiting men with prostate cancer:

* The **ATLAS Study** is a clinical research study now enrolling men who have high-risk, localized or locally advanced prostate cancer and are receiving radiation therapy. To learn more about the ATLAS Study and to find out if you may be eligible, please [CLICK HERE](#) or visit: <http://www.clinicaltrials.gov/>, study Identifier: NCT02531516.

* The **TITAN Study** is a clinical research study now enrolling men who have metastatic, hormone-sensitive prostate cancer. To learn more about the TITAN Study and to find out if you may be eligible, please [CLICK HERE](#) or visit <http://www.clinicaltrials.gov/>, study Identifier: NCT02489318.

Cancer diagnosis, cancer treatment and health care coverage for those with cancer are complex issues. The Cancer Support Community (CSC) is looking to uncover information about access to care in your community, health insurance and social support through a **survey to be completed by cancer survivors.** [CLICK HERE](#) to access the survey, which takes about 15 minutes to complete.

On Saturday, June 25, Us TOO hosted a **Community Conversation on Prostate Cancer in Austin, Texas**, to discuss the importance of informed decision making for patients and caregivers specific to testing, active surveillance, treatment options for all phases of prostate cancer from an initial diagnosis to advancing disease, and

management of side effects. We'd like to thank everyone who attended, along with the event sponsors, physician presenters, and Us TOO Austin support group leader Bob Wright, Keith and Terri Hoffman, Sanford James, Bill Scaife and Janet Schadee. Visit www.ustoo.org/community-conversation for more information about the series. Stay tuned for information on the next event in Detroit on September 24.

Just two months from today is the **12th Annual Chicago SEA Blue Prostate Cancer Walk & Run**. Please join us at Lincoln Park on Sunday, September 11th, or participate virtually from anywhere. Register at <http://www.seablueprostatewalk.org/> to increase awareness for prostate cancer and raise funds for the mission of Us TOO.

This September, comic book fans around the world will learn the basic facts of prostate cancer as **Marvel Comics promotes Prostate Cancer Awareness Month** with [covers](#) featuring Iron Man, Captain America, Captain Marvel and more in special light blue-colored costumes. Be sure your local comic book store has placed a preliminary order by July 28th. [CLICK HERE](#) to contact Diamond Comics Distributors.
