

*Pssst, Hey Dads,*

“Tiered” of being asked what you want for Father’s Day?

*Tell your kids to make you a SUPER DAD this year...*

## Honor the Hero in Your Life by Helping Others

Help Us TOO empower others with information on prostate cancer. Honor your dad as a superhero with a donation to our cause today. Contribute \$25 or more and we’ll send a special “Super Dad” Father’s Day card to him in the mail, noting that you’ve made a contribution in his name. Your donation will help Us TOO provide educational resources and support services at no charge to those affected by prostate cancer.

### The Facts:

- Prostate cancer has no symptoms until the disease is advanced.
- 30,000 men in the U.S. die from prostate cancer every year.
- If detected early, prostate cancer can be cured or treated effectively.
- There are more than 2 million men in the U.S. living today with prostate cancer.
- That number is estimated to double to 4 million men over the next 8 years as baby boomers age.
- Every one of those men and his loved ones will need information to make smart choices.

***Want dads and all men to be informed about prostate cancer? Us TOO!***  
**KNOWLEDGE IS POWER!**

**DONATE NOW** to help Us TOO help those battling prostate cancer.
