Greetings,

We're pleased to bring you some of the latest **Prostate Cancer News You Can Use**. In addition to the following industry announcements and updates that may be of interest to you, you'll find a list of news article titles along with a link to the Us TOO web page that provides access to the content for each article.

On Saturday, September 24, Us TOO hosted a **Community Conversation on Prostate Cancer in Detroit, Michigan**, as a featured presentation at the Sixth Annual Men's Health Event. The event focused on the importance of informed decision making for patients and caregivers specific to testing, active surveillance, treatment options for all phases of prostate cancer from initial diagnosis to advancing disease, and management of side effects. We'd like to thank those who attended in-person and online, our event sponsors, Dr. Jason Hafron, Dr. Elisabeth Heath, Jim Naddeo, Dr. Michael Lutz and the Michigan Institute of Urology Men's Health Foundation. **Watch for links to presentation topic video segments coming soon!**

A **webinar on "Current Treatments in Advanced Prostate Cancer: Side Effect Management and Clinical Trials"** was presented on September 26 by Dr. Tomaz Beer, director of the Knight Prostate Cancer Research Program at Oregon Health & Science University. If you missed the live presentation, we invite you to **watch the archived video** of the event brought to you by ZERO and Us TOO.

Patients who are receiving immunotherapy and their caregivers are encouraged to **attend the 2016 Immunotherapy Patient & Caregiver Summit in Philadelphia** hosted by Cancer Support Community on November 5 and 6. Lodging and food is provided and participants will be reimbursed for travel costs. **CLICK HERE** for details. Submit your application to attend before the **DEADLINE of Wednesday, October 12, at 11:59 pm ET**.

If you're an Us TOO support group leader, be sure to check out the new content on best practices provided exclusively for you on the updated **Support Group Leader Resources** pages on the Us TOO website. If you've not yet received your leader pass code, please contact ustoo@ustoo.org.

From February 27 through March 1, 2017, more than 100 advocates will gather on Capitol Hill in Washington, D.C., for the annual **ZERO Prostate Cancer Summit** to fight for policies that will end prostate cancer. **Pre-registration** is now open.

Cancer Support Community is providing a **Cancer Experience Registry** for prostate cancer that allows people who are facing cancer to share their experiences, identify the issues that impact their lives, take surveys, access resources and learn from each other. **CLICK HERE** to learn more.
